

Arise Church 2016 Winter Survey

In 2013 we asked you to complete a survey on your overall Arise Church experience and the programs you enjoyed and wanted to see. As a follow up, and as input to our strategic and operational planning processes, we are asking you to respond to the following questions. They are focused on our mission of *Growing in God's Love and Passing it On*, as well as our continuing strategic priorities of Worship Experience, Spiritual Growth, Caring Community, and Meaningful Missions. In addition, we set an overriding strategic initiative every few years; for 2016 it is physical, mental, emotional and spiritual Balance. Please complete the following questions and deposit in the designated box. Thank you! (Use the back of this survey if more room is needed.) - The Arise Church Council
